KA AGAINST IT ALL

PITCH BIBLE

LOGLINE

When a misanthropic alcoholic is reluctantly resurrected he finds out the world is much stranger than first meets the eye.

SYNOPSIS

Kayden Kennedy is waiting for his life to end as he spends his days drunk and depressed.

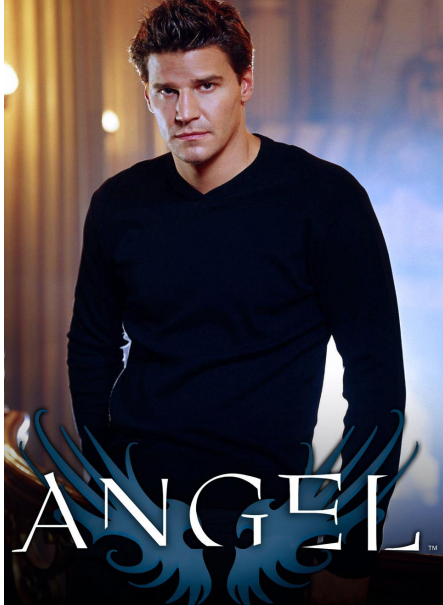

One day after stopping a young man from being hit by an oncoming car he finally gets his wish when he is hit instead.

Waking up in a place called The Otherside, Kayden is informed that he wasn't meant to die and despite his protestations is returned to life.

Back in a world he thought he was free of Kayden starts to attract strange and supernatural trouble.

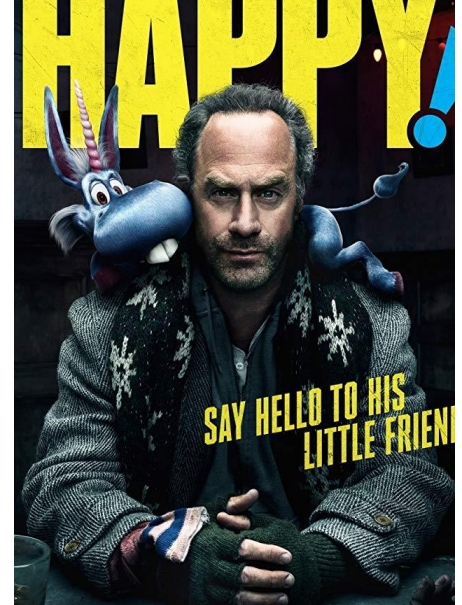

SHOW CROSS

MEETS

MEETS

KAYDEN K. KENNEDY

MAIN CHARACTER

An angry, sarcastic drunk struggling to get through a life he despises.

When he gets the sweet embrace he desires he's sent back to Earth due to a clerical error where he's now conscious of a new world entwined with our own and proceeds to befriend some strange "people".

His primary narrative of season 1 is learning to adjust with being dragged into a strange world he's gone through his existence completely oblivious of.

PATRICK GOODE

MAIN CHARACTER

Patrick is an alcoholic 'ghost' and Miriam's ex-fiance.

Patrick thinks he died and is a ghost but in actuality Patrick is an astral being. Miriam was messing around with transportation magic and accidentally caused Patrick to become trapped between realms causing him to seem ghostlike.

The true nature of Patrick is unknown to both Miriam and himself.

The magical nature of his being allows him to absorb alcohol, the higher the percentage the more he can feel.

MIRIAM E. GARRY

MAIN CHARACTER

Moderately inept witch and ex-fiancee of Patrick.

Miriam is still learning her way around witchcraft but her progress is hindered by a headstrong overconfidence.

Constantly pushing boundaries of magic she doesn't have the experience or aptitude for yet causing a lot of her spells to blow up in her own face.

SAMUEL

MAIN CHARACTER

Samuel is a SHEPHARD, an organisation from The Otherside charged with transferring spirits from the world of the living.

A clerical error on his first day causes Samuel's boss to become interested in Kayden, thus entwining the lives of the alcoholic and The Shephard,

PILOT

A group of masked men and women track down and kill a man at night.

On an increasingly annoying day, Kayden is hit by a speeding car as he mocks a kid he saved. Returned back to life by Samuel with no memory of The Otherside, Kayden wakes up in a hospital morgue.

Samuel is called in to speak with his boss a being called KING and is informed that he wants Samuel keeping an eye on Kayden because of his curiosity about the clerical error.

Kayden befriends Patrick at a bar where they are attacked by a spirit ghoul that Kayden seemingly has the power to dispel but not without falling unconscious afterwards.

Concerned with Kayden, Patrick gets his ex, Miriam who helps to get Kayden off the street then finds a way to conceal the spirit energy he's emitting. As the trio try to figure out what's up with Kayden, Samuel appears to return Kayden's memory.

SEASON 2

The team open up a supernatural private detective agency. Patrick gets his body back and the group go to a parallel world. An ancient evil is awakened. Kayden becomes more of a proactive hero.

SEASON 3

A mysterious enemy manages to frame Kayden and turn the world against him. Making it literally K against it ALL.

TOPE

A supernatural action comedy which is at its core a show about relationships and friendship.

A fusion of darkly horrific and genuinely heartwarming.

The look will be inspired by early 90s action movies like "Die Hard" and "Lethal Weapon" but drawing heavily from classic high concept TV, early Guy Ritchie film as well as Shonen manga and anime.

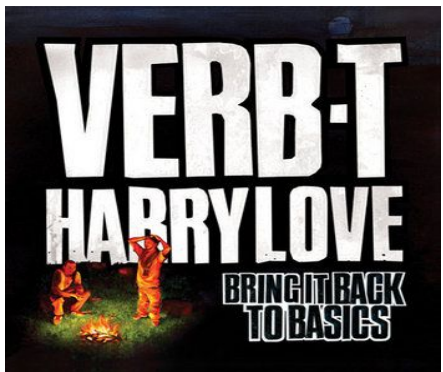

A very modern piece with a timeless feel.
